

NEW DURAMAX REBATE ADAPTOR

- Aluminium construction, more robust.
- Flush with door face.
- Rebate for all lock faceplates, no rebate kit needed.
- 40mm doors only.
- Powder coated with primer, ready for standard paint finish (same as VP beads).
- Same calculation for leaf width as aluminium doors.

Double rebate to prevent daylight being seen through the meeting stiles.

Vee groove for centring lock screws.

Flush bolts in door edge not door face (not visible when door closed), shoot in same place as 4-point rods.

Mohair seal both sides.
