BARN DOORS

ADD SOME RUSTIC CHARM

Barn doors offer a stylish and practical solution for any home. Their space-saving sliding design suits tight spaces, while their bold, rustic character adds warmth and personality. Versatile, barn doors complement both modern and classic décor, defining spaces, creating privacy, and elevating the living space's look and feel.

TRANSFORM ANY INTERIOR SPACE

At Parkwood, we offer a wide range of beautifully crafted interior doors to enhance your home's appeal. And our interior doors are made from a range of timbers that are reliable for joinery and sustainably sourced.

AT A GLANCE: SPECIFICATIONS

38mm thick door

Panel thickness 12mm

All doors are available in a range of timber types, depending on the situation and style desired.

- Paint Quality Pine (PQP) – Ready for painting and economical. Parkwood uniquely uses Radiata clears, quarter sawn and laminated for additional stability.

Please note: Paint Quality Interior door panels are made using MDF board (Medium-Density Fibreboard)

- Stain Quality Pine (SQP) – ready for staining and economical.
- Paint Quality Emberwood (PQV) – ready for painting, thermally modified. Used when extra stability is desired such as larger doors or cavity sliders.
- Stain Quality Emberwood (SQV) – ready for staining, a dark chocolate brown. Not available on all doors with flat panels.
- Stain Quality Cedar (SQC) – beautiful Western Red Cedar clears, ready for staining. Please be aware of Cedar's wide variety of colours and grains.

Two glass options:
Clear laminate or translucent laminate

All doors are pre eased
